

MENTERI LUAR NEGERI MALAYSIA
MINISTER OF FOREIGN AFFAIRS MALAYSIA

His Excellency Li Yong
Director-General of UNIDO

Your Excellency,

On behalf of the Government of Malaysia, it gives me great pleasure to congratulate the United Nations Industrial Development Organisation (UNIDO) on the joyous commemoration of its Golden Jubilee.

Since its inception fifty years ago, UNIDO has facilitated and supported developing countries and countries with economies in transition to achieve higher levels of inclusive and sustainable industrial development.

Malaysia has benefitted from various activities and cross cutting programmes by UNIDO over the past years. The collaboration with UNIDO has helped Malaysia to shape a more effective and targeted industrial policy. Many Malaysian entrepreneurs and business sectors have also benefited from the capacity building programme organized by UNIDO.

I would like to renew Malaysia's commitment as UNIDO's effective partner and reassure you that Malaysia will continue to work closely with UNIDO to achieve the global aspiration of the 2030 Sustainable Development Goals (SDGs).

Please accept Excellency, the assurances of my highest consideration.

Anifah Aman
