MINISTRY OF FOREIGN AFFAIRS
THE STATE SECRETARY**

28 November, 2016

Mr. Director- General,

It is a great pleasure to congratulate the United Nations Industrial Development Organization (UNIDO) on its 50th Anniversary.

Mongolia applauds the UNIDO for its tremendous efforts to support inclusive and sustainable industrial development of Member States.

Over the years, the UNIDO has been a crucial partner of Mongolia and we highly value the support extended to my Government. With support of the UNIDO, Mongolia has been implementing a number of projects, including the Study on Strategic Directions on Industrial Policy in Mongolia which was a great guidance for national policy makers, entrepreneurs, academics and other stakeholders.

We believe that with a view to achieving the 2030 Sustainable Development Agenda adopted by the 2015 UN Summit as well as Mongolia's national development goals, the continued support from the UNIDO is crucial for Mongolia. Thus, I would kindly propose to implement the Program for Country Partnership (PCP) towards a more diversified economy based on environmentally friendly industries set forth in my Government's Action Plan.

I thank you look forward to the strengthened cooperation between Mongolia and the UNIDO to achieve our common goals.

Sincerely yours,

Davaasuren Damdinsuren
