BACKGROUND

THE UNITED NATIONS INDUSTRIAL DEVELOPMENT ORGANIZATION (UNIDO)

UNIDO is the specialized agency of the United Nations system dedicated to promoting inclusive and sustainable industrial development in developing countries and in economies in transition, and to fostering international industrial cooperation.

UNIDO provides a variety of technical cooperation services, and acts as a global forum for the accumulation, analysis and dissemination of knowledge in the field of industrial development. The Lima Declaration, adopted by UNIDO's Member States at the fifteenth session of the General Conference in December 2013, groups these activities into three thematic priority areas, in which the Organization has a comparative advantage and expertise: creating shared prosperity, advancing economic competitiveness, and safeguarding the environment. In addition, it provides for UNIDO to promote South-South cooperation.

50TH ANNIVERSARY EVENTS

The 2030 Agenda for Sustainable Development foresees sustainable economic growth with minimal negative impact on the environment. Significant progress has already been made in this regard as a result of the implementation of the Millennium Development Goals, yet challenges remain. They include, among others, tackling remaining poverty, creating employment opportunities for young people, and addressing gender inequality, as well as environmental matters. The 17 Sustainable Development Goals were designed to concurrently remove economic, social and environmental unbalances. This will require a clear strategy and the mobilization of all financial and intellectual resources at our disposal, with the active collaboration of public and private sector actors, international organizations and multilateral financial institutions.

As it marks its 50th anniversary, the United Nations Industrial Development Organization (UNIDO) has set up a platform that brings together policy-makers, the private sector and academics to engage in defining ways to support the implementation of the 2030 Agenda.

Mandated with promoting inclusive and sustainable industrial development, UNIDO is using this year's anniversary to advance the global development agenda, and define new partnerships and cooperation opportunities.

From 21st to 25th November 2016, UNIDO will organize a range of commemorative activities at its Vienna Headquarters, including a high-level event and an EXPO set up around five key topics relating to the 2030 Agenda.

DATE AND VENUE

UNIDO's 50th anniversary events and EXPO will be held from Monday, 21st November to Friday, 25th November 2016, at the VIC (Wagramer Strasse 5, 1220 Vienna, Austria).

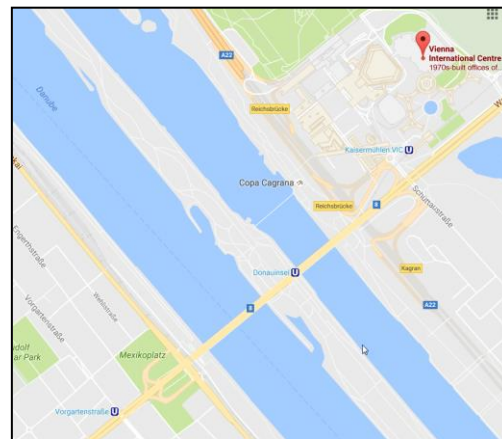

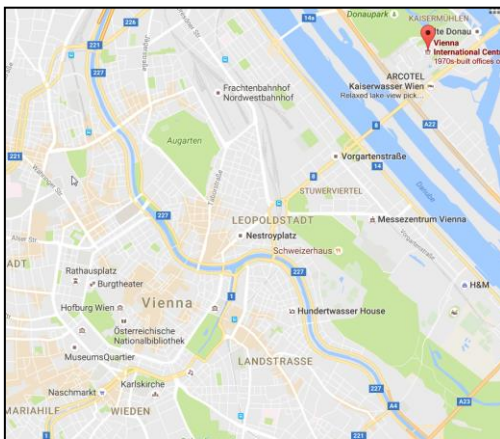

DIRECTIONS TO THE VIENNA INTERNATIONAL CENTRE

Participants arriving at the VIC by taxi are advised to be dropped off in the side lane of Wagramer Strasse, to walk up the stairs or ramp to enter through Gate 1 at the VIC and to walk across the plaza to the entrance of the A-building.

Participants arriving at the VIC by underground transport (U-Bahn) should take line U-1 and get off at the station "Kaisermühlen-Vienna International Centre" and follow the signs to the VIC. A variety of public transport tickets are available. Tickets may be purchased at machines in every U-Bahn station, and at tobacco shops (Tabak-Trafik) throughout Vienna.

It takes approximately 10 minutes to arrive at the VIC from the centre of Vienna by underground transport (U-Bahn) on the U-1 line and about 20 minutes (depending on traffic) to arrive at the VIC from the centre of the city or from the Vienna International Airport by taxi.

Participants with physical disabilities should ask members of the United Nations Security and Safety Service to assist them as required (e.g. directing them to the appropriate elevators for getting to the conference areas)

PARKING FACILITIES

Registered cars of Permanent Missions will be able to park as usual. Parking facilities for non-registered cars are not available inside the VIC. However, non-registered cars will be allowed entry for drop off and pick-up through Gate 2. Furthermore, taxis are not allowed to enter the VIC.

INFORMATION FOR PARTICIPANTS

VISAS

An entry visa for Austria may be required. Participants are strongly advised to seek information on requirements applicable from Austrian diplomatic or consular missions in their home countries.

Prior to leaving their home country, participants are requested to make their own arrangements for entry visas, or travel permits that may be required for the entire travel to Vienna, Austria (including for the countries in transit).

HOTEL ACCOMMODATION AND TRANSPORTATION ARRANGEMENTS

Participants are expected to make their own travel and accommodation arrangements including airport transfers. To facilitate this process, a list of recommended hotels is provided in Annex IV to the present information note, listing some of the hotels available in Vienna according to their distance from the Vienna International Centre. UNIDO has arranged for participants to be given a special discounted rate at selected hotels; to receive this discount, kindly contact 50years@unido.org for the booking code.

REGISTRATION

All participants accessing the Vienna International Centre (VIC) must have a conference badge. Conference badges will be issued at the registration desk at Gate 1 of the VIC. The loss of a badge must be reported immediately to Security, who will issue a duplicate one.

In order to be registered, invited participants are requested to confirm their participation per email at 50years@unido.org. These registered participants will then receive a link via email requesting them to upload a photograph, etc., which will allow the advance issuance of conference badges. These conference badges may be collected in advance on Friday, 18 November 2016 from 12 – 4 p.m., on Sunday, 20 November from 2 to 6 p.m., as well as on Monday, 21 November as of 8 a.m., by presenting a written authorization.

Alternatively, participants may collect their badges upon arrival at Gate 1 by presenting their letter of participation and a passport or equivalent form of identification.

PROGRAMME

The programme for the week can be found on the 50th Anniversary web platform: <https://50.unido.org/news-events/programme.html>.

Please note that the programme will be regularly updated in the weeks leading up to the events.

PANEL ARRANGEMENTS FOR SPEAKERS

The Focal Points of each event will ensure that the moderators and speakers of their event will have an opportunity to inspect the meeting rooms where the side events will take place, and discuss matters with technical staff.

Speakers are asked to provide their mobile numbers to their respective session Focal Points (see contacts on page 6) as well as to 50years@unido.org well in advance of the event.

Please note that registration to the 50th anniversary events does not automatically include participation in the forty-fourth session of the Industrial Development Board (22-24 November 2016) for which a separate registration is required. Any queries about registering for the Board session should be addressed to the Policymaking Organs Secretariat (telephone: +43 1 26026 5232, e-mail: pmo@unido.org).

CONFERENCES
